

Global Leadership in Panel Instrumentation

ST **sifam tinsley**
PRECISION INSTRUMENTATION

Electromechanical Instruments & Accessories

- Analog Panel Meters
- Current Transformers, Shunts
- CAM Switches

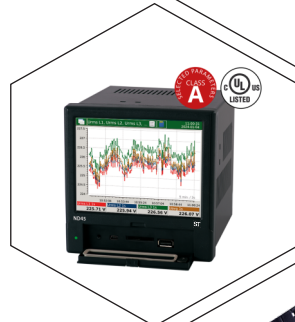

Power Monitoring & Control Instruments

- Digital Panel Meters
- Multifunction Meters
- Power Quality Analyzers
- Electrical Transducers
- Analog & Digital Synchroscopes
- Energy Management System

Industrial Automation Devices

- Isolators / Transmitters
- Temperature Controllers
- Power Supplies & Battery Chargers
- Data Loggers & Converters
- Protective Relays
- Paperless Recorders

Test & Measurement Equipment

- Digital Multimeters
- Clamp Meters
- Insulation Testers
- Electrical Testers & Process Calibrators
- Environmental Meters
