

Test & Measuring Instruments

Explore a robust portfolio engineered for precision, safety & industrial reliability

Digital Multimeter Meters

- True RMS measurement, up to 309,999 count display
- Auto/manual range, temperature, frequency, & more

Clamp Meters

- 1.AC/DC measurement up to 1500A
- 2.Rotating jaws, True RMS, CAT IV safety, Bluetooth
- 3.Ideal for solar & industrial loads

Insulation Tester

- Test voltages up to 10kV, resistance up to 20 Tff
- PI, DAR, DD, Burn Test, TFT Display
- USB/Bluetooth connectivity, auto data logging
