

# Split Core Current Transformers

- Cost-Effective & Efficient
- Safer and Quicker Installation
- Wide Range of Sizes

## Features

- Compliant with IEC 60044-1 and BS7626
- Flame retardant grade enclosure (UL94V-0)
- Time saving Installation
- Available in 5 frames
- Ratio ratings from 100/5A to 3000/5A
- Available in 0.5, 1 and 0.2 accuracy class
- Insulation class: E

## Application

Switchgear

Distribution System

Generator Sets

Control Panels

Overload Protection

Control Device
